

# EVERYBOY INITIATIVE

Seven-year-old Aaron was filled with anger, confusion and felt deeply misunderstood when he attended his first Royal Rangers class. Growing up amid domestic violence, alcohol abuse, and emotional detachment, he had been deprived of a healthy, nurturing environment to develop and mature.

His innocence had been stolen at the tender age of four, and he was left to process overwhelming feelings of isolation and uncertainty all alone.

But after that first class, he was no longer alone. Aaron recalls his first experience vividly saying, "I was absolutely dumbfounded that a man would devote his time to teach, love, and mentor young boys like us."

Although his family life was fraught with turmoil and strife, Aaron found hope in Jesus Christ. He became part of a Royal Rangers community with a leader who intentionally invested in his life.

"He stood by me unwaveringly as my family structure crumbled. Despite the formidable challenges that confronted me, he instilled in me the virtues of spiritual, mental, social, and physical growth, urging me to strive toward these ideals," Aaron says.

Over the years, Aaron grew to trust in the Lord more deeply and gained confidence in himself as a man of faith. For the first time in Aaron's life, he felt a deep sense of commitment and enthusiasm towards something that truly mattered. Today, Aaron is a devoted husband and father. He aspires to reflect the deep truths of God's Word and Christian character that he learned through Royal Rangers as he builds his family and leads in his community.

We believe **every boy** has the right to know Jesus and to develop into the man God has created him to be, just like Aaron.

Over the last sixty years, more than three million boys in the United States have been mentored through the ministry of Royal Rangers. These boys have grown up to be the husbands and fathers of this generation. They are the leaders that will craft our future.

Our vision to *influence more boys than ever, more effectively than ever* will be realized through the **EveryBoy Initiative**. We have the resources, the curriculum, and an army of dedicated men who already are discipling boys and young men across our nation. We need you to join us in this mission with a monthly gift of \$25 or more!

"Royal Rangers is not the easiest of ministries to serve in nor does it get the most glory, but if done right, it is one of the most effective I know. In life, most of us want to leave behind a legacy... and the only legacies that really last are people.

**There is no other ministry that accomplishes this purpose better than Royal Rangers."**

// KEY ROBERTSON,  
ROYAL RANGER LEADER

"This ministry provided an opportunity to develop confidence in myself while learning valuable skills and growing a deeper relationship with my Creator. Ultimately, **Royal Rangers helped prepare me to become the pastor and community leader I am today.** I would not have had the opportunities to sit with senators and business leaders if it weren't for the confidence and sharpening of Rangers. More importantly, I have the tools to disciple people in their life-changing relationship with Christ. Royal Rangers has truly prepared me to be ready — ready for anything!" // JEREMY HAHN, PASTOR

This initiative focuses on ensuring that every boy has the opportunity:

- To hear the gospel
- To discover the man he was created to be
- To build the confidence needed to succeed
- To develop strong, lifelong friendships through a community of men

Your monthly gift of \$25 will make these tools and resources available to every evangelical church in the United States. Through your partnership, **every boy** will have the opportunity to know Jesus and to develop into the man God has created him to be.

The **EveryBoy Initiative** will ensure every evangelical church has free access to either option:

1. Curriculum and materials to assist churches and leaders in developing a local ministry to reach and disciple boys in their unique setting or church size.
2. An established and developed process of discipling through mentorship, using the updated and customizable ministry of Royal Rangers.

Royal Rangers unique and proven ability to provide mentorship to boys has been recognized by Assemblies of God U.S. Missions who is partnering with us as a specialized ministry. All contributions will receive missions giving credit and are tax deductible.

The need is obvious, and the resources are available. Your gift will unite the two and impact the next generation of boys. The **EveryBoy Initiative** will enable us to resource every church in every community and to take the message of the gospel to every boy in the United States!

Partnering together,

Karl S. Fleig

Royal Rangers National Director

WE BELIEVE  
**EVERY BOY HAS THE RIGHT**  
TO KNOW JESUS AND  
TO DEVELOP INTO THE  
**MAN GOD HAS**  
**CREATED HIM TO BE.**
